SURVEY NOTES

- All dimensions are in meters unless otherwise noted.
- Surveying data is from the U.S. Geological Survey's Geomatics data set and is processed with CAR's proprietary system (CAR's software).
- All names are spelled out from the "Sound" software boundary data set.
- Under Article 76 of the United Nations Convention on the Law of the Sea (UNCLOS), coastal States may extend their continental shelf beyond the 200 nautical mile limit of their Exclusive Economic Zone (EEZ) to the outer limit of the continental shelf, which shall not exceed 250 nautical miles from the foot of the continental slope, and shall not exceed 350 nautical miles from the 200 nautical mile limit of their EEZ.
